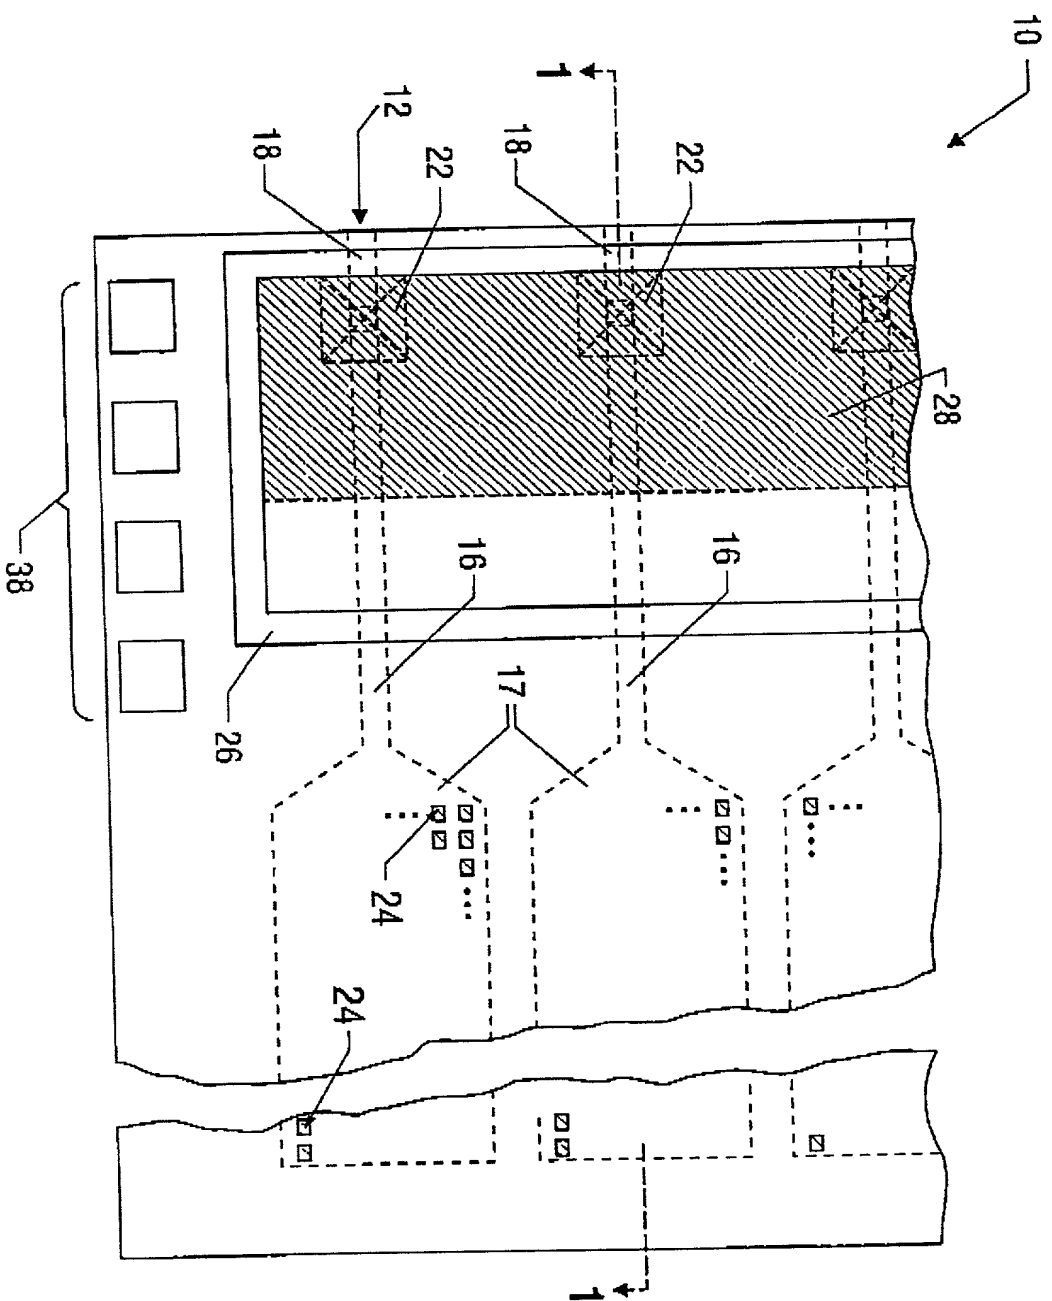

FIG. 4

FIG. 4 is a schematic diagram of a multi-layered rectangular structure 10. The structure 10 is shown with dashed lines indicating its boundaries and internal features. A bracket 38 is located at the bottom right of the structure. A dashed line 17 is shown in the center of the structure, with a series of small squares 24 along its length. A dashed line 1 is shown at the top and bottom of the structure, with a series of small squares 24 along its length. A dashed line 1 is also shown at the bottom right of the structure, with a series of small squares 24 along its length.
